What are you waiting for??

If the answer is ... "Because I would not have a clue where to start!!"

Then in that case come and listen to Daryl Fisher, the man that has been there and done that successfully. So successfully he retired young and sailed around the world on a massive yacht!!

March NPIA Meeting

Featuring Daryl Fisher

**Wednesday, 25th March - 7.00 to 9.00
pm**

**Distinction Hotel
9 Riverside Drive
Whangarei**

Don't forget to bring your membership card to our meetings as it facilitates quicker registration and helps us all get to know who's who.

Daryl Fisher and his wife Laurel have been building their residential rental property portfolio since 1995. After spending 2 years studying the property market and what makes it tick, Daryl developed his own basic formula and really increased the number of properties they have purchased. This formula kept them well protected particularly through the global financial crises and the perils of the Labour Government. Through this time, Daryl was both a regional representative and President of the New Zealand Property Investors Federation for 4 years.

Daryl has been working with many seasoned property investors for over 29 years and has put a lot of this knowledge and experience into seminars all over New Zealand.

Daryl is a well-respected professional property investor who keeps his knowledge current by being in the market place every

day, and is currently a life member of the Waikato Property Investors Assoc.

Daryl will be talking about His life's journey, his first retirement sailing the world, his investment tips and rules, boarding houses, how to find investment properties, what to expect from your property management company and minor dwellings.
